**New Business:**

Commissioner Harter made a motion to recommend to the Town Board to approve Heath Popowich, W6644 Lawrence Pl, Onalaska (Tax #10-1207-0) request to rezone from Residential A to Commercial B with the understanding that the Town has no plans to upgrade the road and as a condition of the zoning change to have a certified survey map (CSM) presented to the Town. Commissioner Shefelbine seconded the motion. Discussion centered on Lawrence Place being a substandard road and the Town has no plans to upgrade it. The road is only 28 feet wide; standard is 33 feet. Base is gravel that is double seal coated every three years. This road could receive heavy weight from trucks. Popowich plans to purchase 25 feet on the west side of his property from Robert Smith (Tax # 10-1205-0). Popowich plans to build a steel storage/shop outbuilding (45' X74") of 3330 square feet. The Exterior of building will match existing home on property to be used as storage.  
Motion passed 4 (Louis, Davis, Harter, Shefelbine) to 2 (Paudler and Filzen).

Commissioner Davis made a motion to recommend to the Town board to approve John B. Heck, (Tax Parcel #10-2840-0) request to lower grade of park land adjacent to his residential lot and have completed seeding by the end of May 2011 in Sun Valley Addition.
