Board Member Concerns:

Supervisor Thompson made a motion to request a closed session as soon as possible to address personnel issues. The Chairman asked for the reason and Thomson said she would present it at the closed session. The motion died for lack of a second.

Supervisor Thompson asked to reopen the issue of a contract for the clerk. The clerk was appointed for two years. That expired in 2009. The previous chairman did not raise the issue of reappointing the clerk. Thompson feels Board needs to readdress this issue.

Supervisor Thompson questioned having the same person as deputy clerk and deputy treasurer.

Supervisor Thompson made a motion to rescind Chairman's authority to manage office personal and bring all personal items to the Board. Motion died for lack of a second. Thompson questioned the terms under which Peg Hanson came back to work.

Supervisor Michaels made a motion to adjourn the meeting.

Supervisor Schultz seconded the motion. The meeting was adjourned at 7:15 PM

Respectfully submitted by Clerk Sue Schultz.
