Public Comment

Dave Ambrose, N7569 County Road D, Holmen states he came before the committee in November last year to request a credit. He was denied. He feels that he should not be getting a bill and should have the credits applied. He turned in an application for credit to the chairman.

John Nash, W7407 County Road Z, Onalaska. States he contacted Vicki Burke. She looked at the property and spoke to Ron Chamberlain from the County. She was going to talk to Rolly as well.

Dave Ambrose, N7569 County Road D, Holmen asked if snow plowing was going to be an issue now with the improvements.

Discussion on ditch and culvert survey. Project has not been started, will need a couple of weeks to complete. Defer to next meeting.

Discussion on storm water utility budget. Missing 2 committee members. Would be beneficial to have everyone present. Defer to next meeting.

Discussion on the crossover and jobs between storm water and the town crew. Shefelbine made a motion to recommend to the board hiring a part time employee. Reibel seconded the motion. Motion passed unanimously.

Discussion on rain garden permits for Rivendell Subdivision. Reibel made a motion to recommend to the board getting the attorneys opinion. Shefelbine seconded the motion. Motion passed unanimously.

Shefelbine made a motion to adjourn at 7:06 pm. Reibel seconded the motion. Motion passed unanimously.

Respectfully submitted by Melissa Erdman, Clerk
