Approved minutes of May 2nd meeting. Approved unanimously.

- 1.) 2050 Plan review – Fritz Funk presented selected slides from the Coulee vision plan for discussion. Although there was not much detail for Brice Prairie specifically, biker and pedestrian safety is mentioned in the plan and the BP “loop” is mentioned. The team reviewed three maps: Masterplan B, Vision Alt3, and F162-3. Questions were raised about the differences in the three maps. No conclusions were drawn.
- 2.) Committee goals review – Brian Tippetts asked if prior survey results of BP residents are adequate or if we should poll residents regarding current bike and pedestrian safety needs. Committee agreed that prior survey results are valid and the BPSC identified two specific bike / pedestrian safety areas to address: 1.) County Roads (BP loop and access) and 2.) Internal paths (connector trails). Based on this, two working groups/teams were formed. County Roads: David DeBoer, Scott Cooper, Brian Tippetts, Jolene Huiss, Vicki Burke. Connectors: Fritz Funk, Jerri Monti, Paula Przywojski. County Road team is going to collect data regarding road widths and traffic rates and meet to review on June 5th or June 7th at 6 PM. Date to be confirmed. Connectors team is going to collect data regarding existing BP bike pedestrian paths and meet to review on Wed May 30, 6 PM at BPFR building W7886 County Road ZN.
- 3.) Results from both teams will be presented and discussed at next month’s BPSC meeting on June 20th, 6 PM at Brice Prairie 1st responders building W7886 County Road ZN.

Jerri Monti moved to adjourn. Seconded by Jim Nissen. Meeting was adjourned at 7.30 p.m. by Chair Brian Tippetts.
