

PLAN COMMISSION MEETING

APRIL 26, 2011

The Plan Commission meeting for the Town of Onalaska was called to order at 6:30 PM by Chairman Rolly Bogert. Commission members present were: Doug Shefelbine, Donna Murphy, Frank Fogel and Tom Thompson.

A motion was made by Mr. Thompson and seconded by Doug Shefelbine to approve the agenda. The motion passed unanimously.

Mr. Ed Rohmeyer, W7218 Remus Road, Onalaska, Tax Parcel # 10-390-0 addressed the Commission requesting a conditional use permit to operate a computer business at his residence. He noted that the increased traffic would be minimal. He noted that he has talked with his neighbors regarding this request and they had no problem with his request. Mr. Rohmeyer said that the County Board has already approved his request. Mr. Fogel asked what his future plans would be and noted that if he had more employees, etc. he would have to reapply for a conditional use permit. With no further discussion, Mr. Thompson made a motion to approve the request of Ed Rohmeyer. The second was made by Donna Murphy and passed unanimously.

Mr. Thompson asked about how the County of La Crosse was coming with the zoning land use plan. Mr. Bogert noted that no plan is available for the Town at this time.

Mr. Shefelbine questioned about the issuance of burning permits. With the Town in 2 different fire districts, there needs to be further discussion on this item.

At 6:47 PM the meeting was adjourned. The motion was made by Mr. Thompson and seconded by Frank Fogel. The motion passed unanimously

Linda Carlson
Recorder

After the adjournment it was noted that Mr. Bogert would be replacing Mr. Howard Kelly on the Commission. Mr. Kelly is moving out of the area.
